A Note From Rob Welch

I am so excited to share with you that 2023 has been For His Glory's most fruitful year to date!

We are grateful beyond measure for your partnership together with us to reach nations for Christ! The Lord has used your giving and your prayers to fuel For His Glory to fulfill our mission of launching disciple-making movements in 11 cities across 5 nations that has ultimately led to 2,054,026 people receiving Christ in 2023 through our partnership together!

Your partnership with us has an incredible impact, as we now see **over 200,000 people come to faith in Jesus each month** through For His Glory's accelerated discipleship model.

Together, we are equipping church leaders to multiply their effectiveness in growing God's Kingdom in their city, region and nation.

We currently work with **3,465 churches in five nations in Africa**, helping them train their members to become multiplying disciple makers. **Cities where disciple-making movements have been launched are reporting that the epidemics of crime, prostitution, and drug and alcohol abuse in their communities are evaporating.**

We are thankful to report that the Lord provided \$1.825 million to For His Glory through our partners in 2023! We are even more excited for the future ministry the Lord has prepared for us in 2024 and beyond!

The Lord's Effective Discipleship Model

You may be wondering how an effective disciple-making model developed.

In 2006 Rob Welch followed the Lord's leading and established For His Glory. Our ministry is dedicated to helping reignite Jesus' mission of bringing the Kingdom of God into manifestation on earth.

We help foster transformation in cities and nations by following Jesus' example of using large gatherings, such as the Sermon on the Mount. We combined this with training believers on how to make disciples who make disciples, as Jesus did with His twelve apostles.

Our model is revolutionary because it draws from Jesus' example of synthesizing the harvest impact of large evangelistic gatherings, which we call festivals, with the launch of disciple-making movements through the revolutionary Training for Trainers (T4T) disciple-making model.

The evangelistic festivals help create unity among the churches in a city and region, which also facilitates the leading of tens of thousands of people to Christ. These new believers are invited to participate in a T4T discipleship group in their community. In these T4T groups, new disciples are trained in how to lead others to Christ and to help them grow in their relationship with Jesus.

Once this model of T4T is adopted, indigenous, self-sustaining, disciple-making movements are launched that will transform cities and nations for Christ.

For His Glory began with the vision God gave Rob Welch nearly twenty years ago. The ministry now has 20 employees, 8 full-time and 12 part-time, and is now being used by the Lord to reach many nations with the Gospel and has seen millions of people receive Christ.

The Lord is Using All of Us Together to See Nations Transformed for Christ!

Without your ongoing commitment as our partners in the Gospel, we would not be where we are today.

You, our ministry partners, are key to the exponential growth For His Glory is now experiencing. We now see over 200,000 people come to faith in Jesus each month, and there are now over 1.6 million disciple makers in T4T discipleship groups in Africa, and the numbers continue to multiply.

Albert Einstein Once Said, “Compound Interest is the Eighth Wonder of the World!”

Not only are the numbers of people receiving Christ growing exponentially through these T4T discipleship movements, but they are also compounding!

Take our mission to Bukavu, DR Congo, for example. In 2018, For His Glory invested \$422,125 to hold a festival and launch a T4T disciple-making movement. 102,788 decisions to receive Jesus were collected during the festival in 2018. By December 2023, the number of people receiving Christ has reached over 820,000, all from that initial investment. **That’s a compounding effect of almost 800% in souls coming to Jesus since in 2018, and it’s still growing!**

In 2023, it only cost 65 cents per person receiving Jesus, which is an amazing return on our Kingdom investment! **However, we will see an even greater Kingdom impact from each gift we receive over the coming years due to the compounding effect of T4T.**

Key Initiatives Planned Through For His Glory

In the Near Future (2024 - 2025)

- Expecting over 70,000 people to receive Jesus in Musanze, Rwanda, at our first festival of 2024, March 2nd through the 12th and a powerful launch of a disciple-making movement.

-
- Launch three disciple-making movements at festivals in 2024, beginning with our mission in March to Musanze, Rwanda, followed by a mission in August to Uvira, DR Congo, and finally to Abuja, Nigeria, scheduled for October 2024.

-
- As of December 31, 2023, For His Glory has built a strategic financial reserve of \$500,000. This reserve places us in a better position for our ministry to add key team members and to help prefund missions in 2024 and 2025.

-
- Our major ministry goal to be fulfilled by December 31, 2025: **10 million people to receive Christ through For His Glory!**

Over the Next Five Years (2023 - 2027)

- 25 million people will have come to faith in Christ.

-
- 10 million believers will be in T4T discipleship groups.

-
- 15 nations will be reached with the Gospel.

Exchanging The World's Identity For Their God-Given Identity

For His Glory's Women's Ministry Update

Women all over Africa are discovering the identity that God gave them before they were even in their mother's womb through the Holy Spirit and from the Training for Trainers (T4T) training they received. God said the same thing to the Prophet Jeremiah in the Bible:

“Before I formed you in the womb I knew you . . . I ordained you a prophet to the nations.” (Jeremiah 1:5 NKJV)

These ladies have been transformed away from the false identity that the world has given them. These false identities often come through cultural norms, false religions, family, teachers, leaders, spouses, and others. Cultural identities are especially significant in Africa, where many women are just now beginning to be allowed to serve in the ministry. The Apostle Paul spoke of the need for transformation in his day, as well:

And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is that good and acceptable and perfect will of God. (Romans 12:2 NKJV)

Many of these women that have been transformed by Jesus through T4T become powerful T4T city coordinators, effective T4T disciple group leaders or fruitful evangelists. They are leaving their false identities behind as their minds are renewed with the powerful truths of who they really are in Christ Jesus.

Therefore, if anyone is in Christ, he is a new creation; old things have passed away; behold, all things have become new. (2 Corinthians 5:17 NKJV)

God's Impact on Individual Lives Through For His Glory

While the numbers can be overwhelming, each person has their own story of God's grace in their life. Here is the story of one young woman whose life was forever changed by the power of Jesus Christ through our ministry together.

Gloria Mark

Life Out of the Jungle!

My name is Gloria Mark. I live in northern Nigeria and I am now 16 years old. I want to share a testimony with you of the new life God has given me and the hope He has restored within me.

I faced a dark period in my life where I dropped out of school, became stubborn and followed a path filled with detrimental choices.

My parents did their best, but I found myself in the company of bad friends, engaging in unhealthy habits in the jungle – drinking, smoking and indulging in other destructive behaviors.

One fateful day, I encountered Mummy Grace (For His Glory's T4T Coordinator). Despite my hostility, she approached me with kindness and spoke words of encouragement. She saw greatness in me and assured me that God had a purpose for my life. Her words penetrated my heart, and for the first time in a long while, I felt seen and valued.

Mummy Grace shared her own journey of transformation, revealing that she, too, had faced rejection and humiliation when she became a Christian from Islam, she told me of how she had to sleep in uncompleted buildings and had no food and dress. Her story touched me deeply, and I realized that I wasn't alone. She spoke of God's love and how surrendering my life to Him could lead to a better future.

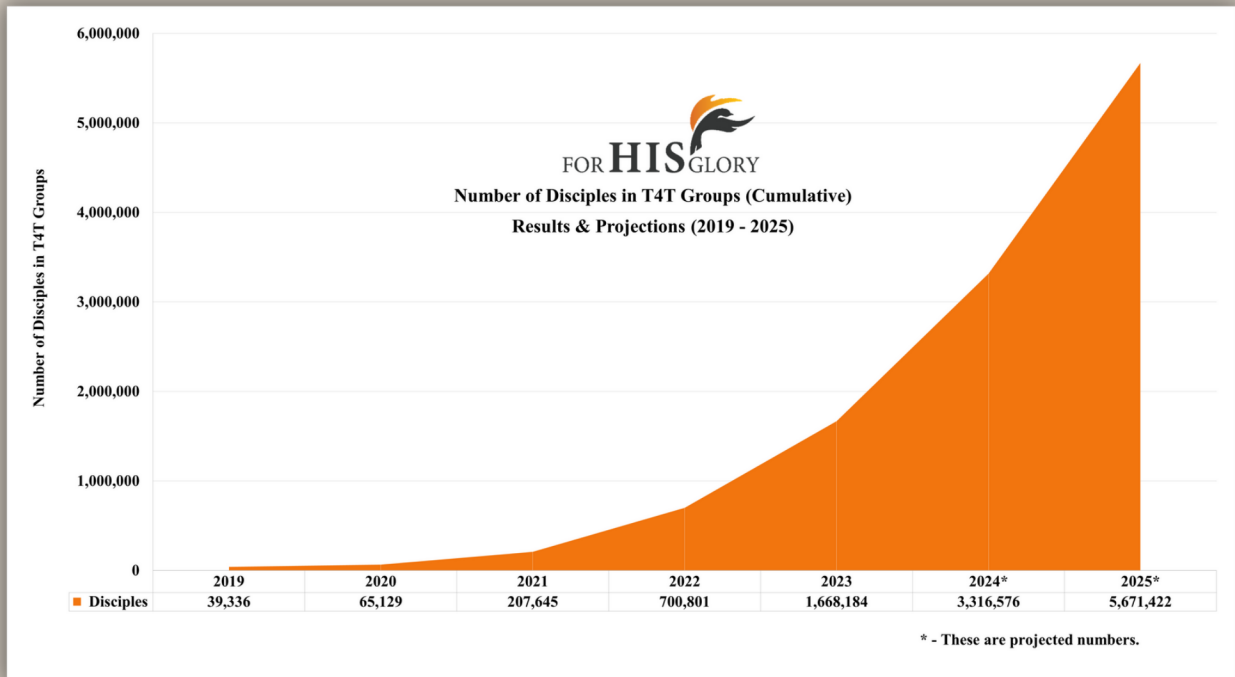

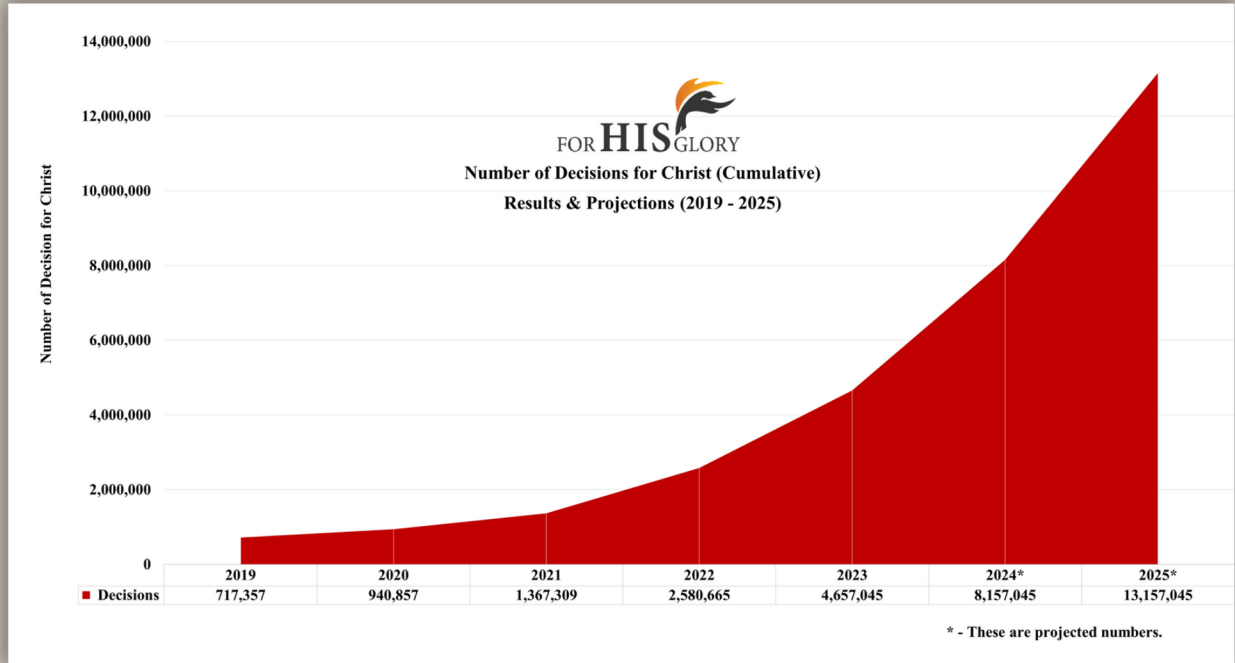

I am profoundly grateful to God for sending Mummy Grace into my life. Through her I found hope, forgiveness and a new beginning. May the Lord richly bless her for being an instrument of His love and transformation in my life.

Reaching Nations for Christ

The Lord has given us a vision to reach **ONE BILLION** people eternally for Christ!

Thank You!

Thank you for partnering together with us to reach nations for Christ! I was amazed by the incredibly generous giving we experienced this year from so many of you, and I was stunned and moved to tears on multiple occasions by gifts that were so surprisingly generous!

Just saying thank you seems completely inadequate to express our gratitude for all that you are doing to empower us to see disciple-making movements launched and nations transformed! We are so grateful to God for all He is doing through our partnership together.

Thank you for helping to make 2023 our most fruitful year to date! With God's grace and your help, we will see even more lives transformed for Christ in 2024 and in the years ahead!
