

Essentials for T4T Multiplying Movements

- 1) Top church leaders must champion T4T
 - a) Always remind your congregation to ask the Holy Spirit to lead them to someone every day
 - b) Train all believers on their authority in Christ's Name
 - c) advocate and promote T4T often

- 2) Top leaders must model T4T
 - a) Your members only do what they see you do
 - b. Top leaders should lead their own T4T discipleship group of up to 12

- 3) Frequent training for small discipleship group leaders is very important.

- 4) It is extremely important that everyone in your T4T group sees themselves as a member of a Kingdom advancing disciple-making team. Regular coaching is key!

- 5) Group leaders need to gather monthly in a large meeting and break into 3 to 4 member accountability subgroups during part of the meeting.

- 6) Large evangelistic meetings to draw the lost are helpful.

- 7) Abundant prayer is foundational!

- 8) Schedule 2 hours every week for evangelism (prayer walking, meetings with unsaved people, or attend business and government events).
