Africa Mission Report

From Background Gospel Patron to Frontline Evangelist!

By Mike Moeller, Ministry Partner

For me, there is no greater joy than moving from the background as a Gospel patron to the frontline as a street evangelist in Jos, Nigeria! My Abba Father allowed me to see with my own eyes, tens of thousands of His children each day surrendering their hearts and lives to our Lord and Savior Jesus Christ. The lifelong and eternal relationships birthed from sharing the Gospel in the slums, marketplaces, villages, schools, and churches are a blessing beyond my mind's comprehension.

My life's mission as a follower of Jesus Christ has always been to share the Good News wherever I am, and I frequently teach other men that the best use of our lives is to spend on something that outlasts it. However, **the Lord put on my heart the desire to become a global thinker**, and I found there is simply no substitute for hands-on, real-life experience in a completely different culture. If God has been telling you to develop global thinking with your "Great Commission eyes", all I can tell you is...**just do it!**

I had the privilege of going out into the field each day and night with my buddy Mike Osterhoff and a pair of fearless identical twins from Jos, Dickson and Davidson. **It was pure joy and happy chaos.**

We would set up a speaker system in a secured spot in the marketplace and call out for the people to join us. Many times, the beautiful people of Jos were slow to come and we would simply continue to proclaim God's love for them and His desire to have an intimate relationship with them without judgement or condemnation. **Each time it was as if God snapped His fingers and hundreds of His lost children would appear and were ready to receive His salvation through a new life in Jesus Christ!**

In addition, we received incredible favor with access to an entire student population in two different schools.

After gaining their interest and trust, we shared our story and Jesus' story and then witnessed about 75% of them receiving Christ with great joy and a palpable, overwhelming excitement. They would join us each night at the festival and were then plugged into local discipleship groups. **Even today, several of the children text me through WhatsApp and I encourage them to go out daily and make other disciples of their friends and family.**

I truly believe God launched a discipleship movement in Nigeria. I had the opportunity to preach in churches and in front of pastors and leaders who understand the model of "Go" that Jesus commissioned us into in the final words of the Book of Matthew. **Hallelujah, as the Spirit carries these disciple-makers to change a nation!**

The Kingdom of Heaven Bursting Forth

By Laura Parli

Matthew 11:12b, the Passion Translation (TPT) of the Bible, beautifully describes that with the coming of Jesus, as proclaimed by John the Baptist, **the Kingdom of Heaven is bursting forth and those that are passionate for His Kingdom take hold of its power.**

The T4T model encourages believers to be obedient to the Holy Spirit so that the Spirit will guide and empower their ministry. In Jos, Nigeria, where God has birthed another disciple-making movement, we saw the Kingdom of Heaven bursting forth in many ways:

- Local evangelists, Dickson and Davidson, joined forces with Mike Osterhoff and Mike Moeller as an outreach team to share the Gospel out in the community through mini rallies and outreach events, and many came into the Kingdom.
- Thousands of unbelievers witnessed healing and deliverance miracles, leading them to trust in the God who heals and delivers.
- At the conclusion of the women's Training for Trainers (T4T) conference, the local T4T coordinator, Grace Samson, a former Muslim who is passionate about the Kingdom of Heaven in Nigeria, gave an altar call, and we saw 11 women step into the Kingdom.
- And finally, **the best example of the Kingdom of Heaven bursting forth in Nigeria was each night of the festival where we saw thousands of children, women, men, and families step forward to receive Jesus!**

This is just the beginning of this movement. Under the direction of the Holy Spirit through the T4T groups growing in Jos, we expect 20,000 new believers per month in this very strategic city in Nigeria in a relatively short period of time!

God Can Do Exceedingly MORE than We Ask, Imagine or Think...

By Rob Welch

Back in January of this year, I shared with you, our partners in the Gospel, some bold statements of what I believed the Lord do through our partnership with For His Glory in 2022. The boldest statement was that For His Glory will see over one million people come to faith in Christ through our ministry in 2022!

Rob Preaching at the Festival

On October 31, 2022, during our last night of the festival in Jos, Nigeria, we crossed over the 1 million people reached in 2022! Praise the Lord! By year end, about 1.2 million people will have come to faith in Jesus through For His Glory's ministry in 2022. That's roughly 100,000 people per month!

I am so grateful to God for all that He is doing! I am so grateful to you our partners in the Gospel for your love, your generous giving and your prayers which fuel our ministry! **Praise God for all He has done!**

For His Glory Experienced EXPONENTIAL GROWTH in 2022!
